

Putnam County Swim Team Sign-ups for SUMMER!!!

The Putnam County Swim Team (PCST) is currently taking signups for our 2023 Summer Session. The Summer Session runs 5 weeks from **Monday, June 5**, the start day depending on the group. We offer groups for beginning competitive swimmers up to advanced USA Swimming levels.

PCST is Putnam County's Swim Team—We serve *all* students from *all* schools in our area, and we are proud to serve Putnam County first. Our program is over 40 years “young,” and our coaches have both started recreational swimmers toward more fun in the pool and also helped champion swimmers to flourish.

Our groups are led by fully-certified coaches with hours of training in concepts of coaching as part of their preparation. All of our lead coaches have CPR Certification, Water Safety Certification, Athlete Protection Training, and have undergone an extensive background check. PCST's professionalism makes a difference. From our focus on fun to our success at developing fast swimming, **PCST leads the way!**
